

Marilyn Sherman, Founder of UpFront Presentations has dedicated her 25+ year career in motivating and inspiring audiences across the country. She is a highly sought-after keynote speaker and author who is driven to move her audiences out of their comfort zone and into the front-row of their work and personal lives. Her engaging and fun personality makes Marilyn the perfect choice, even for audiences that are often hard to motivate. She is hired to engage audiences with stories of hope and inspiration along with practical tools to immediately implement when they leave the conference.

Marilyn is best known for customizing her keynotes to each audience, with attendees often saying “She was speaking directly to me. I needed that message today.” She also often hears, “Wow, she is so much more than a motivational speaker!”

Marilyn was inducted into the National Speaker Association’s CPAE Speaker Hall of Fame, one of 182 members in the world who hold this designation.

Marilyn is also the author of three motivational books including “Is There A Hole In Your Bucket List? “, “Whose Comfort Zone Are You In?”, and “Why Settle for the Balcony, how to get a Front-Row Seat in Life”.

Marilyn lives in Las Vegas with her husband and travels quite a bit to keynote events, and also loves to be a local resource to the many conventions that are held in Las Vegas each year.
